JOIN US FOR OUR FIRST PROGRAM OF 2027

CERTIFIED CHIROPRACTIC SPORTS PHYSICAN® (CCSP®) PROGRAM!

This CCSP® program is offered through a partnership between DConline and Southern California University. Successful completion qualifies candidates to challenge the ACBSP™ sports chiropractic certification examination.

This program requires you to complete a minimum of 100 hours of coursework study. Out of those 100 hours, 88 hours can be completed online! The online CCSP® course follows a hybrid model, primarily featuring assigned readings, narrated PowerPoint presentations, and recorded lectures. It is fully self-paced and spans approximately 1.5 years.

While the majority of the coursework is online, the Emergency Procedures component requires **one** in-person session. This live class is conducted in Denver Colorado and Vancouver Washington, over a single weekend (all day Saturday and Sunday morning). Several sessions are offered annually, allowing participants to select a convenient date. The tuition includes the cost of the live class. The first (not only) opportunities for the in-person Emergency Procedures class will be held January 30-31 in Vancouver and February 6-7 in Denver. Additional Emergency Procedures opportunities for the 2027 calendar year will be announced to program participants.
